

# THROW YOUR OWN MUNNY SHOW PARTY!

## A How-To Guide

In 2005, Kidrobot threw a giant MUNNY customizing party for charity. We had so much fun, we thought you might like to have a Munny Show too! The Munny Show is fun whether you invite 2, 20, or 200 people.

The next page includes suggestions for setting up your party, ideas from our MUNNY kit on how to MUNNYize your space, and a list of stuff that you can use to decorate MUNNY.

**Remember, MUNNY is here so you can do amazing stuff  
and see how great you really are!**

**You can paint on MUNNY and draw on MUNNY.**

**You can dress MUNNY up and you can dress MUNNY down.**

**You can cut MUNNY and pierce MUNNY and glue stuff to MUNNY.**

**You can make stuff for MUNNY to hold and you can  
build stuff to make MUNNY bold.**

**HAVE FUN WITH MUNNY!**

Love,

**kidrobot<sup>®</sup>**

## **Setting up Your MUNNY Shop**

**Before your friends arrive, designate an art supply table, a decorating table (with enough chairs for everyone) and a drying and display table. Be sure to cover these tables with newspaper so you and your friends can get as messy as you want! Use the postcards and signs from the MUNNY kit (on MUNNY's website) to decorate your MUNNY SHOW space. You can draw on them or paint on them or keep them just the way they are! Finally, print copies of our MUNNY Customizing Tip Sheet from our MUNNY Kit to give out to all your friends.**
