

# MAKE YOUR OWN....

## MACHO MUNNY!

### Instructions for the Macho Munny Vest

1. Cut out the shape and cut a slit on the dashed line
2. Trace the pattern onto stretchy fabric, and cut the fabric the same way that you cut the paper
3. Push Munny's arms back and up (so he looks like he's going to long-jump)
4. Place the arms through the slit, so that the edges of the slit fit on Munny's shoulders
5. Take your Munny with you to protect you from the bad guys. SO MACHO!

# MAKE YOUR OWN....

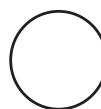

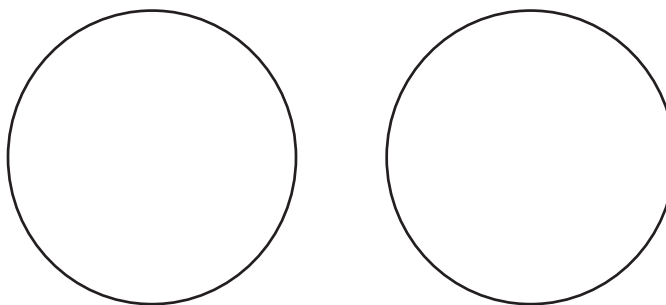

## MUNGAREES!

### Instructions for Munny Mungarees

1. Cut out the shape and the 3 circles inside
3. Trace the shape onto stretchy fabric and cut it out.
2. Place your Munny's feet inside the two large holes, so his tail fits into the smaller hole.
3. Pull the two sides up by Munny's shoulders and tie them together
4. Your Munny is ready to go!

## SUPER MUNNY!

### Instructions for the Super Munny Cape

1. Pop the arms and head off of your Munny--(WARNING!! Vinyl can rip!  
Please do this with care & at your own risk)
2. Cut out the large circle and the 3 circles inside
3. Trace the pattern onto stretchy fabric, and cut the fabric  
the same way that you cut the paper.
4. Place the big hole at the top of your Munny (where the head goes)  
and the two small holes where the arms will go.
5. Put your Munny's head and arms back on.
6. Walah! Super Munny of the rescue!!
